The swatch materials in this brochure are provided as a color guideline. There may be variation in color, texture, finish and gloss between these samples and the actual product.

THE RIGHT COLORS TO REFLECT YOUR BRAND

At Spacesaver, we know that color and texture can impact your team's engagement and productivity, as well as your customers' perception of your business. That's why we work with architects, designers, and our clients to design storage solutions that are just as aesthetically pleasing as they are efficient.

As you begin designing your space, contact your local Spacesaver consultant to request a free space assessment and see our laminate color samples in person. We'll help you choose colors that are a perfect fit for your space and your brand.
