A COMMITMENT TO QUALITY POWDER COAT PAINT FINISHES

Available in both smooth and textured finishes. Not all colors and finishes available across all product lines see notes below colors swatches and recommended finishes below. All components go through a multistage surface preparation prior to being coated; this process enhances topcoat bonding. The topcoat is a furniture-quality, epoxy-polyester hybrid Powder Coat Finish that meets or exceeds specifications set forth by the American Library Association.

Our electrostatically-applied, thermoset Powder Coat Paint System provides a durable hard finish with superior performance qualities.

- Excellent abrasion, impact, corrosion, stain, yellowing and chemical resistance.
- Exceptional adhesion with uniform film thickness and elimination of runs and sags associated with wet systems.
- A higher edge coating film thickness which virtually eliminates any sharp metal edges.
- Optional antimicrobial powder coat finish is available on all normally powder coated products. Antimicrobial powder coat contains a time-released germicide that is 99.9994% effective in controlling the growth of bacteria, mold, and mildew on the surface.

A COMMITMENT TO THE ENVIRONMENT

Our system is environmentally safe without any volatile or fugitive (stray) emissions in the finished product. Additionally, during the manufacturing process, we produce no volatile emissions or hazardous waste.

A COMMITMENT TO OUR CUSTOMERS

With the goal of bringing you the best local sales and service in the industry, our distribution network is composed of independently owned and operated distributors in major cities throughout North America. The Spacesaver Group's local sales consultants, factory-certified technicians, and expert support staff all work together to provide an excellent customer experience during the design process and long after the sale.

The engineers, project managers, and other professionals at our Wisconsin headquarters collaborate with our distribution partners every day to bring you new product innovations, efficient manufacturing processes, and superior customer support.

We live up to our commitments and have the references to prove it. You can rely on The Spacesaver Group

Slight variations occur in texture, color, grain configurations and finish acceptance of materials used. Therefore, finished pieces may vary in tone or character from images shown on this page.
