

MODULAR STORAGE

LAMINATE LOCKERS

Choosing the Right Combination

Patterson Pope specializes in helping people effectively store STUFF. This means not just putting things away, but doing it in a way that will make finding and retrieving each item as easy as possible. To help in this pursuit, we offer modular laminate lockers for all places and purposes.

People carry around a lot of STUFF. Not because we like to, but because we have to – we need it. From universities, libraries, and municipal buildings, to hospitals, corporate offices, and athletic facilities, our possessions need a home. Often, it becomes the facilities' job to creatively cater to these needs, and provide a safe place to store our STUFF.

Modularity – Here is a locker system that adapts as fast as you do, and looks good while doing it. This modular laminate locker system has sizes that fit any space, and configurations that meet varied demands. They are an elegant, adaptable, long-term solution for multiple storage requirements.

Lock Options – There are a variety of lock options to consider including: Digital, Hasp, Combination, Keyed and RFID.
