17560-2.5	2.5 Gallon	2/BOX
17560-05	5 Gallon	EACH

ECOSONIC

Descaler

EcoSonic Descaler detergent is an advanced surfactant cleaner formulated to refurbish surgical instrumentation without the use of hazardous ingredients. EcoSonic is excellent for removing stains, discoloration, rust, and residue from metal and porous/metallic surfaces without negative impact. EcoSonic prevents redistribution of contaminants. The corrosion inhibitor leaves surfaces clean, bright and residue free.
