

DON'T JUST HOLD.
STRONG HOLD.

WE'VE GOT YOUR SIX.

DON'T JUST HOLD. **STRONG HOLD.**

The Six Series. It's our family of cabinets that comes in four different sizes to fit every ridiculously-strong industrial storage need. Pick a 36, 46, 56, or 66. You can't go wrong — no matter what you're storing, holding, or securing: we have a Six for that.

THE FORTY SIX

4 X 6 X STRONG AF

Meet a 4x6 force to be reckoned with. We've sold over half a billion pounds worth of Forty Six cabinets, all over the globe. And let's just say: with endless customization options, intense durability, and an unreal warranty, there's a reason this behemoth is a best seller. Here's to making the world a more heavy-duty place.

GAUGE COMPARISON

12-GAUGE | EXTREME DUTY
With an overall capacity of 11,000 lbs., a shelf capacity of 1,500 lbs., and an unbeatable 99-year warranty, 12-gauge cabinets are primed for your most extreme tasks.

14-GAUGE | EXTRA HEAVY DUTY
Make no mistake: 14-gauge cabinets can take on extra heavy-duty tasks. (Just ask their 8,000 lbs. overall capacity, 1,200 lbs. shelf capacity, and 25-year warranty.)

18-GAUGE | HEAVY DUTY
This "light weight" seriously throws down with an overall capacity of 4,000 lbs., a shelf capacity of 1,000 lbs., and a 10-year warranty.

12- GAUGE
EXTREME DUTY
BEST FOR THE TOUGHEST WORK ENVIRONMENTS

Nothing compares to our strongest cabinet. It's all-welded. Made in America. Comes fully assembled and ready to hold over five tons. There's also a 99-year warranty. (Not that you'll need it.)

SKU # 46-244-3001

14- GAUGE
EXTRA HEAVY DUTY
BEST FOR SHOP FLOORS

Ideal for your shop floor, this all-welded storage cabinet comes fully assembled and delivers a lot of extra: Extra capacity. Extra rugged heavy-duty performance. Extra handy 25-year warranty. And oh yeah: it's American-made.

SKU # 46-243-L-2009

18- GAUGE
HEAVY DUTY
BEST FOR LIGHT INDUSTRIAL OR OFFICES

This industrial cabinet instantly makes your space stronger and more productive—holding actual tons of supplies without breaking a sweat (that's the made-in-America way). With a 10-year warranty, you'll breathe easy, too.

SKU # 46-243-P-9005

OVER 80,000 COMBINATIONS IN ONE LEGENDARY 4x6

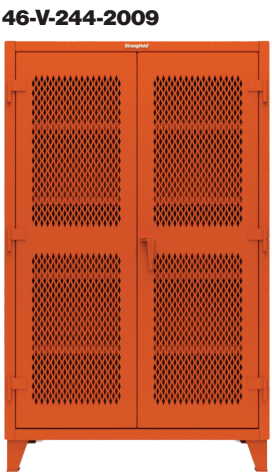

With so many uses, we don't know how you'll put it to work. But we do know it'll get the job done.

With these world-class locks: best of luck to anyone trying to break in.

PICK YOUR 46.

(GOOD NEWS: YOU CAN'T GO WRONG.)

46-244

Extreme Duty 12 GA Cabinet with 4 Shelves

- 12-gauge, all-welded construction with an industry-leading capacity of 11,000 lbs. (You read that right.)
- 3-point locking system works with standard padlocks or can be tricked out for keyless entry.
- Ships fully assembled, ready for use, and arrives with our 99-year warranty.
- 48 In. W x 24 In. D x 78 In. H

46-DS-248 (Double Shift)

Extreme Duty 12 GA Double Shift Cabinet with 8 Shelves

- 12-gauge, all-welded construction with an industry-leading capacity of 11,000 lbs. (Perfect for those plane engines you have laying around.)
- Doors lock independently and are compatible with your standard padlock. Or upgrade to electronic keypad because, heck, you deserve it.
- Ships fully assembled, ready for use, and arrives with our 99-year warranty.
- 48 In. W x 24 In. D x 78 In. H

46-243-L. 14- Gauge

Extra Heavy Duty 14 GA Cabinet with 3 Shelves

- 14-gauge, all-welded construction with an overall capacity of 8,000 lbs. (We dare you to hit that max.)
- 3-point locking system fits standard padlocks. Or upgrade to keyless entry since your pockets are full enough.
- Ships fully assembled, ready for use, and comes with our 25-year warranty.
- 48 In. W x 24 In. D x 75 In. H

46-LD-244 – Clearview Door

Extreme Duty 12 GA Clearview Cabinet with 4 Shelves

- 12-gauge, all-welded construction with an industry leading overall capacity of 11,000 lbs. (And gosh do we love bragging about it.)
- Full-length, clearview panels allow for visibility while maintaining security. Trust us — people aren't getting in here if you don't want them to.
- 3-point locking system is compatible with standard padlocks. Upgrade to electronic keypad to get all "Mission Impossible" with it.
- Ships fully assembled, ready for use, and arrives with our 99-year warranty.
- 48 In. W x 24 In. D x 78 In. H

46-243-P 18-Gauge

Heavy Duty 18 GA Cabinet with 3 Shelves

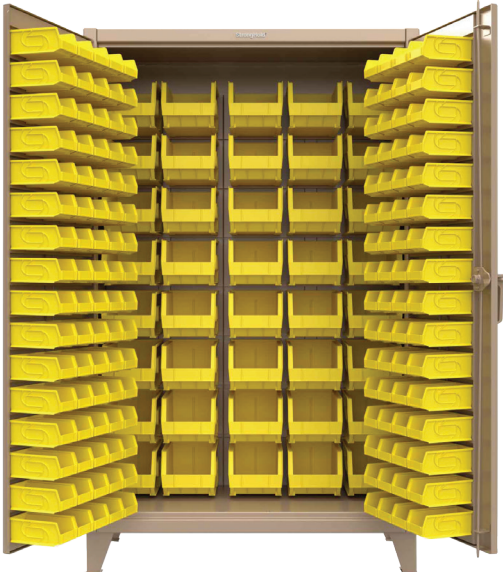

- 18-gauge cold rolled steel — which is as badass as it sounds — welded with reinforcing rivets for an overall capacity of 4,000 lbs.
- 3 shelves have 1,000 lbs. capacity each, plus locking pins. AKA: No tools required for adjustment.
- 3-point locking system is secured by our dual-locking heavy cast handle. Yeah — they're not breaking into this one.
- Ships fully assembled, ready for use, and comes with our 10-year warranty.
- 48 In. W x 24 In. D x 72 In. H

46-BB-240

Extreme Duty 12 GA All Bin Cabinet

- 12-gauge, one piece, all-welded construction — and oh yeah, 184 bins on doors and in the body. Type As: this one's for you.
- 3-point locking system is compatible with the standard padlock or upgrade to an electronic keypad.
- Doors are supported by 8-gauge leaf hinges (3 per door) with stainless steel hinge pins (and open smooth as butter).
- Ships fully assembled, ready for use, and arrives with our 99-year warranty.
- 48 In. W x 24 In. D x 78 In. H

46-244-6/5DB (With Drawers)

Extreme Duty 12 GA Cabinet with 6 Half-Width Drawers, 4 Shelves

- 12-gauge, one piece, all-welded construction with an industry leading overall capacity of 11,000 lbs. (Insincerest apologies to the competition.)
- Equipped with 6 drawers that each have a 400 lbs. load capacity — and can handle anything you throw at 'em.
- 3-point locking system is compatible with standard padlock or upgrade to keyless entry while you're at it.
- Ships fully assembled, ready for use, and arrives with our 99-year warranty.
- 48 In. W x 24 In. D x 78 In. H
